

MAGNOLIA EXPRESS

AMERICANA • ROOTS ROCK • NEW GRASS

Good Time Americana/Roots Music

Atlanta based Magnolia Express plays a “musical stew” of rock, country, bluegrass, jam and honky tonk music. We power the music with guitar, banjo, fiddle, bass, and percussion.

We play original music along with tunes from all over the Americana musical spectrum: Jerry Garcia and The Grateful Dead, Johnny Cash, Hank Williams, Phish, John Prine, and even The Beatles. You also might hear a fresh take on an old gospel or folk tune. It’s all about having fun with the music!!

Magnolia Express released our second album of original music, “Manatee’s Store” in 2022. The album has been streamed all over the US and in 15 countries worldwide. The band is currently recording their third album, scheduled for release in 2024.
